- 3.1. Maintenance of the Roadway. For the purposes of these Covenants, the private roadway shall be defined as legally described by Exhibit "B" and the parties hereby agree that the private roadway shall be maintained in perpetuity. The surface of the roadway shall be maintained so as to allow free and reasonable passage of such RESIDENTIAL vehicular traffic as may be reasonable and necessary in order that all parties may enjoy full and free use of the parcels of real property served and/or affected thereby.

The roadway has been constructed in conformance with the Cowlitz County Private Road Standards, as applicable for the Short Plat, and will be required to be maintained in accordance with such standards. Required repairs, maintenance, improvement, refurbishment or reconstruction of the roadway shall be referred to herein collectively as "Repairs". For purposes of this Declaration, Repairs shall be deemed to be "required" if the proposed Repairs are reasonably necessary: (i) to preserve any improvement installed or constructed for the use for which it was intended; (ii) to insure that the roadway is reasonably passable for vehicles or pedestrians; (iii) to remedy any defects or deficiencies in any improvement installed or constructed which result from use, wear and tear or passage of time; and (iv) to maintain the landscaping along the roadway in a neat, clean fashion but consistent with the surrounding native vegetative environment.

- 3.2. Cost of Maintenance of Roadway. The owners of the lots shall each be obligated to pay their equal share totaling 1/12th of all costs and expenses of required maintenance, repair and improvements to the private roadway and utility easement, on-site and off-site, (including widening or improving road material or other capital improvements) or reconstruction of any of the improvements which now exist or which may be installed or constructed. However, if damage or destruction to the roadway arises from the actions or negligence of a particular lot owner or their guests, agents or invitees, it shall be the sole responsibility and cost of said lot owner to repair the damage or destruction, in timely manner, upon written request of the other lot owners using the roadway. No lot owner shall obstruct or interfere with the use of the roadway by any other lot owner, their guests, agents or invitees.
- 3.3. Construction and Maintenance of Driveways. The owners of all lots subject to this Declaration shall be responsible for all costs of construction and maintenance of their individual driveways which serve only their lot(s). Where a shared driveway serves two or more lots, the owners of those respective lots shall share equally all such costs of construction and maintenance to the point where the driveway serves only one lot, at which point it becomes an individual driveway for construction and maintenance purposes.
- 3.4. Procedure for Maintenance. Decisions as to any work to be performed on the above-described roadway(s) serving the properties shall be by majority vote, based upon total number of parties responsible for paying for the improvement or maintenance these amenities, whether said parties' ownership is held in fee simple or as purchaser under a Real Estate Contract. The owners of all properties served by said amenities shall meet in person on the 1st day of June each year (or an alternate date within 30 days before or after June 1 agreed-upon by a majority of the ownership eligible to vote) for the purpose of determining what repairs or maintenance are necessary to be made on the amenities. The meeting shall result in a written agreement regarding individual assessments, to be signed by all parties in attendance. Failure to attend the meeting, or to sign the resulting written agreement, shall not excuse any failure to pay any assessment. Any individual assessment for road maintenance, construction and improvements shall be due within 30 days from the date set by the majority of the

ownership eligible to vote and if said assessments remain unpaid after 30 days from said date, the remaining owners eligible to vote shall be entitled to bring an action for collection of said assessment. The prevailing party in any such action shall, in addition to other remedies granted by the Court, be entitled to recover its costs and a reasonable attorneys' fee to be set by the Court.

- 3.5. Extraordinary Use or Damage. Any party that damages the roadway or shared driveways serving the properties shall solely be responsible for any such damages, other than the normal wear and tear. All such damage is to be repaired within 30 days after such occurrence. Under no circumstances are agricultural equipment of any kind to be driven down the private road identified herein.

4. AMENDMENT. ENFORCEMENT.

- 4.1 Amendments. The Covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended by an instrument signed by not less than seventy percent (70%) of the total lot owners. Any amendment must be recorded before it becomes valid.
- 4.2 Enforcement. The Declarant and/or any owner(s) of property subject to this Declaration, including property made subject to this Declaration after the date hereof, shall be entitled to bring any suit or action to enforce these Covenants. In any such suit or action instituted by the Declarant or any owner(s) to enforce any of said reservations, conditions, agreements, covenants and restrictions, or to restrain the violation of any thereof, after demand for compliance therewith or for the cessation of such violation, and failure to comply with such demand, then and in either of said events and whether such suit or action be reduced to decree or not, the parties instituting such suit or action shall be entitled to recover attorney fees in such suit or action, in addition to statutory costs and disbursements. The failure on the part of any of the lot owners affected by these Covenants at any time to enforce any of the provisions hereof shall in no event be deemed a waiver thereof, nor of any existing violation thereof; nor shall the invalidation of any said reservations, conditions, agreements, covenants and restrictions by Judgment or court order affect any of the other provisions hereof, which shall remain in full force and effect.

5. RESERVATION OF DECLARANT'S RIGHT TO AMEND.

- 5.1 Authorization to Amendment. Until such time as Declarant has sold all lots subject to these covenants, if Declarant, at its option, determines that it is necessary to amend the Declaration, then Declarant, on behalf of all lot owners, is hereby authorized to execute and to have recorded said required amendment or amendments. All lot owners hereby grant to Declarant a full and complete power of attorney to take any and all actions necessary to effectuate and record said amendment or amendments and agree that said amendment or amendments shall be binding upon their respective lots and upon them and their heirs, personal representatives, successors and assigns to the same extent as if they had personally executed said amendment or amendments. All lot owners hereby acknowledge and agree that the power of attorney granted herein shall be deemed coupled with an interest and shall be irrevocable.
- 5.2 Assignment by Declarant. Declarant reserves the right to assign, transfer, sell, lease or rent all or any portion of the Property and reserves the right to assign or delegate all or any of its rights, duties and obligations created under this Declaration.
