## AMENDED SHARED WELL AGREEMENT

WHEREAS, pursuant to that certain Shared Agreement recorded on May 19, 2025 under Cowlitz County AFN 3770077 (the "Agreement"), Chilton, Inc., a Washington corporation (as "Grantor" herein), and Chilton, Inc., a Washington corporation (as "Grantee" herein), entered into the Agreement to supply potable water from a shared well for the benefit of the real property legally described as follows:

LOT 3 and LOT 4 OF SHORT SUBDIVISION NO. CC 25-04, AS RECORDED IN VOLUME 20, PAGES 28 - 29 UNDER AUDITOR'S FILE NO. 3774611, RECORDS OF COWLITZ COUNTY, WASHINGTON, BEING A PORTION OF THE SOUTHEAST QUARTER OF SECTION 13 AND THE NORTHEAST QUARTER OF SECTION 24, TOWNSHIP 6 NORTH, RANGE 2 EAST OF THE WILLAMETTE MERIDIAN; and

WHEREAS, the parties hereto agree to amend the Agreement to include certain provisions for water usage, cost share, and underground utility locations; and

WHEREAS, all other terms and conditions of the Agreement remain unchanged.

NOW THEREFORE, it is hereby agreed that the Agreement is amended as follows:

1. Individual water storage reservoirs shall be required and shall be the responsibility of the individual lot owner for any irrigation purposes on their respective lot. Provided, irrigation of an area greater than 1/8<sup>th</sup> acre (5,445 sq. ft.) per lot shall not be permitted.
2. Construction and material costs of any shared well house, pumps, water storage reservoirs, pressure tanks, and other components necessary to the installation and operation of the shared water system shall be borne by the party installing such improvements, and the other party sharing such well shall reimburse the installing party the sum equal to one-half of the expenses paid by the installing party or, if the expenses cannot be verified by records of receipt and payment, pay the sum of Five Thousand Dollars prior to connection to the water system.
3. Installation of power or other utilities directly related to the operation of the water system shall be permitted within the waterline easement.
4. The waterline easements shall be located on the respective lots as approximately depicted on attached Exhibit "A", the exact location being 15-feet on either side of the installed

waterline, which in no case shall be Westerly of the line on said Exhibit "A" marked "Edge of approximate waterline easement area."
